Dr. Shamanur Shivashankarappa

Hon. Secretary, BEA

**'INTELLECTUALS ARE NOT BORN
THEY ARE MADE'**

Education is a progressive discovery of our own ignorance. As knowledge is power, focus must be on grooming dynamic leaders, not just graduates. Education is transmission of civilization. Our Society need enthusiast with passion to transform India into a "Force to reckon with" the aim of education is the knowledge not of fact but of values BEA has always believed in value based education, where modern quality education is imparted in an environment which is conformity with our rich traditions and heritage.

Sri S.S. Mallikarjuna

Hon. Joint Secretary, BEA

**SURVIVING A FAILURE GIVES YOU MORE SELF CONFIDENCE. FAILURES ARE
GREAT LEARNING TOOLS... BUT THEY MUST BE KEPT TO A MINIMUM**

Computer technology just like other technologies has developed over time and has also influenced our lives in different ways. The research in human computers interaction has been very successful and has influenced the computing system all over the world. When we compare the evolution of computer technology and the several inventions that has taken pace it is evident that this industry is growing very fast at a high speed.

Dr. Athani S. Veeranna

Chairman, BIHE

**" WE NEED DIVERSITY OF THOUGHT IN THE WORLD TO
FACE THE NEW CHALLANGES"**

Corporate environment all over the world is undergoing a lot of transition. The growing integration across global economies has thrown up greater challenges ahead for technical professionals. with the rise of the digital economy and the knowledge worker, the world hungers for a new breed of IT Professionals to embrace it and steer it on to the path of excellence. With changing expectations from corporate bodies as to the eligibility of IT graduates and growing aspirations of the student community we are doing all we can to make the program relevant and value adding.

Dr. B. Veerappa

Principal, BIHE

**"TO SUCCEED... YOU NEED TO FIND SOMETHING TO HOLD ON TO,
SOMETHING TO MOTIVATE YOU SOMETHING TO INSPIRE YOU"**

CAREER AND EMPLOYABILITY CENTRE

The training and placement cell of the college aims at making quality recruitment opportunities for students. This cell work towards establishing and maintaining collaborations with the industry.

BIHE believes in launching the students into their careers with full fledged knowledge, skills and proper attitude. Students are informed and trained about the industry needs. The department has got a career counseling cell that not only counsels the students in selecting suitable careers but also gives information about higher education and career opportunities.

Their interaction with the concerned persons, trains them adequately about job responsibilities. Beyond that, we train the students in the campus for various placement activities and conducts tests like AMCAT, that not only sharpen their skills but also inform them about the areas that are needed to develop.

BIHE takes privilege in assisting placement to suitable and dynamic students. Students are recommended to enroll/register with the employment forms. We maintain the database of all our students attending the placement process. The information about the recruitment process on / off the campus is given to the students properly.

HIGH-FLIERS POINTS

BIHE is the best platform to transform ideas into realities. The environment here is academically rich, psychologically supportive & personally admirable. Teachers are thoroughly qualified, professionally experienced supportive and dedicated. The Institution has a wonderful infrastructure and excellent student's community with reciprocal respect and cooperation. It is truly an honor to be part of this wonderful academic arena 'THE BIHE'.

Anand Upadhyaya

Nepal Student

I am writing to express my sincere gratitude to BIHE for its wonderful teachers, environment and academic facilities. Teachers in BIHE give students a hand when students encounter difficulties, they will render their advice when students are in dilemma. Moreover in the class teacher do more than just go over the material in the text book. They teach students how to learn and how to absorb information along with mutual cooperation. Thank you BIHE for being my own little community and for the experience of a lifetime. It is one that I will never forget.

Rafiain Alami

As a BIHE student, there is much to be thankful for. BIHE provides a higher level of education with its cutting-edge technologies and has all these resources and facilities for people who crave knowledge. Learning is the key to everything that we want to improve. So, BIHE has helped us widen our understanding and increase our technical and intellectual abilities. As an Afghanistan nationality, I have always been proud to consider myself as a BIHE family.

-Ayoub Nadiri

Afghanistan Student

All in all studying under Graduate course at BIHE is an intellectually rewarding experience. The college has balanced curriculum focuses on practical implementation alongside theoretical knowledge. Teachers make the learning process easier, while easy access to the library and computer lab makes learning faster & more effective. In additions, college's administration is most reliable & supportive. Consequently, studying BCA at BIHE is definitely a great learning experience.

-Sangeetha Mandal

"Creative Institute with Intellectuals"
Joining the 'Bapuji Institute of Hi-Tech Education' was my best decision, because I wanted a straight placement after finishing my studies. Their teaching practices are industry focused. The workshops, Industry visits, event, etc... are also helpful for those who want to gain hands-on experience in their chosen field. The placements in BIHE are excellent. No wonder BIHE is ranked top among the BCA colleges for its placement record. kudos to all the faculties and our Principal

-Sindhu K S
Wipro, Bangalore

After joining this college I became more independent and to take on new responsibilities. I always relied on my parent's support, bt here I learnt to push myself harder. This helped me to become more mature an also helped me grow in character. This college introduced me to new various things and I have developed new interest from this exposure. So finally I world like to thank all from teaching and non-teaching staff who all supported us to get good education and to be in dignified position. proud to be part of BIHE Family.

-Ritu Hiremath
TCS, Bangalore

I am proud to say that I am from BIHE. I feel hard to express my experience and feelings that I had in BIHE in few lines. This Institute taught me to learn new things because it's having good faculties, green campus and more over good library and lab. there is lush green inside the campus and a big playground. Faculties shows individual care at the time of placement. And finally I can say in one word that BIHE gives a good start for students to their career. And I am always thankful to principal and faculties.
